JGC Wealth Management, LLC

Fee-Only Financial Planning and Asset Management

Meet John R. La'Gere, CPA

John La'Gere, CPA, brings over 30 years of leadership and tax experience to his clients, always with an eye on the practical. He holds a Bachelor of Science degree in Accounting from the State University of New York (1992). John is a Certified Public Accountant (CPA credentials awarded in 1997). He works with a wide range of individual and business clients. John's areas of expertise include income tax, accounting, auditing, entity formation, and business consultation. He really enjoys working on complex planning issues and helping clients navigate the ever-changing waters of tax law.

He came to Johnson Glaze & Co. PC in 1994 and become a Principal in that firm four years later. John has since taken on the management of the tax practice. He joined our prior wealth management practice in 2008, which later transitioned to JGC Wealth Management, LLC. Besides being an Advisor, he also oversees accounting and tax compliance for JGC Wealth.

He has worked in various management and leadership roles related to manufacturing, hospitality, entertainment and professional services. His father ran a family-owned concrete manufacturing business and a strong work ethic was instilled in John at an early age. Financial and business goals were common topics at the dinner table. Out on his own, John carried those values with him and learned the importance of service with a smile.

John and Terri are proud of their four sons, daughter and daughter-in-law who are now starting their families, careers and college. Grandson Johnny rounds out the family with more energy and curiosity than can be imagined. Johnny's desire to understand how things work is evident every time he holds a screwdriver or asks the inevitable "why" question. It is likely he gets that from his dad and Poppy (John). He loves reading, woodworking and do-it-yourself projects almost as much as he loves helping people.
