Fee-Only Financial Planning and Asset Management

Meet Michael A. Blanchard, CPA, ABV

Michael Blanchard, CPA, ABV, brings over 15 years of tax, accounting, and business consultation experience to his clients. He holds a Bachelor of Science degree in Accounting from Linfield College (2005) and an Associate's degree in Management from Olympic College (1998). Mike is a Certified Public Accountant (CPA credentials awarded in 2006) who also is Accredited in Business Valuation (ABV certification obtained in 2011). Besides income tax and accounting, Michael also is proficient in complex tax planning and has expertise in guiding businesses through all phases - from start-up to planning for sale or succession.

He has been with Johnson, Glaze & Co. PC (JGC) since 2000 and became a Principal in 2007. Mike joined our prior wealth management practice in 2008 which later became JGC Wealth Management, LLC. In addition to being an Advisor, he also is the Chief Compliance Officer.

Michael was an eight-year Navy veteran, he worked on submarine-based ballistic missile launching systems onboard the USS Georgia (SSBN 729). Michael enjoys giving back to his community by serving on his local school board. He also volunteers with several other non-profit activities. He regularly speaks on a various topics to local professional organizations.

Michael was born, raised and currently lives in Dallas, Oregon with his wife, Kristine, and three children - Maddie, Bella, and Gavin. Between planting trees, chasing chickens, and maintaining various crops, life on the family farm keeps Mike plenty busy – and loving every minute of it. Coaching youth soccer helps him stay in shape and spend time with his children and their friends.
